Christmas Queen!

From our Special Virgin Reporter, Wendolene. - A Seasonal Short Story -

*In true Christmas Pantomime style, once upon a time in a faraway Kingdom the Crapauds decided to elect a new Grand-Master, but they had to endure some tough challenges before they could partake in a magnificent Feast celebrating the passing on of the GM's Crown. The challenges were set by two beautiful Hare Devils, Pussy and Hooker, who having earlier laid out their mysterious Xmas Trail with pixie dust and magic flour, divided the Crapauds into two teams in Ye Olde Troubadour for some really naughty games such as 'passing the parcel'. Onwards to the next drinking hole, Ye Olde Office, and another game whereby Captain Poocock, Commando and Smuggler had to find items of clothing [Editor, I thought they took off items of clothing?]. Another really exhausting Run for the Pack to Ye Olde Bluenote Bar for much needed refreshments, before a final dash to the Seaton Place Social where a Minstrel called Bo Beep, aka Rampant Rabbit, treated the Pack to some lively entertainment. A magnificent Feast was then served and the Crapauds danced all night long, or at least till about 7 o'clock in the evening. We reminisced on how tame the Crapauds had become, then shock horror Ballcock actually took off his trousers, followed by Rupert Bear and Easy Rider copying his naughtiness. Gigolo somehow ended up with Jacko's beanstalk causing a certain amount of chaos. The highlight of the evening, though, was the Award ceremony with the runners-up receiving a portrait of Tinky donning his famous Village People cap. For the winners though it was a magnificently framed portrait of Tinky bursting his infamous Ladybird Dress. This was hung unceremoniously on the wall in the restaurant (Editor, Rumours have it this still has pride of place). From there it all went downhill with the after-Party dancing involving Rupert Bear wiggling his butt all over the floor, some line dancing, and even an impersonation of Chippendales getting their clothes off. A great time was enjoyed by all thanks to our devilishly excellent Hares, Pussy and Hooker, who had really pulled all their tricks out of their handbags. **On and On.***
